

MEDIAEVAL BANQUET DINNER

On the evening of the 16th of September (Tuesday) we will celebrate the banquet dinner of the
Castle Meeting,

but being in a medieval castle, it should be a medieval dinner.

All the dishes will be prepared according to original recipes from the 15th century and dinner will be
served (weather permitting) in the bailey of the castle.

We plan to organize a show (medieval, of course) besides the dinner.

Price per person will be around 70 euros.

Tickets should be purchased in cash when you arrive at the Castle.

In the inscription form you should indicate how many tickets you will need in order to make the
reservation. Don't pay them.

Order now! Pay later!

Don't miss this unique opportunity to experience a real medieval evening!

Dressing code: medieval, of course! As medieval as you can get!
