Do you want a room in the castle? <input type="checkbox"/>	Do you want to share the room with another participant? <input type="checkbox"/> Name of the <i>participant</i> with whom you want to share the room: Do you want to share the room with another person? <input type="checkbox"/>
Do you give permission to include your name and e-mail address in the list of participants? <input type="checkbox"/> Yes <input type="checkbox"/> No	
Note: The list of participants will be published in the web.	
Signature:	

The inscription fee includes the two books of proceedings, and the lunch and dinner of the 5 days, except the medieval dinner on the night of the banquet.

The inscription fee does not include the Medieval dinner. We ask you to pay the dinner in cash upon arrival at the Castle. The price of the dinner will be approximately 70 euros. We need you to tell us how many dinner tickets you will need in order to make the reservation.

Further, the inscription fee does not include the lodging expenses. Lodging at the castle is possible for a limited number of people. Rooms are double and a bit less luxurious than a standard hotel room, but they offer the unique experience of living in a genuine medieval castle, and the convenience of staying at the Meeting venue. The price per night per person is approximately 20 euros, which competes favourably with hotel/hostal prices in the village. Those interested in getting a room at the castle should indicate so in the inscription form. Rooms will be assigned according to the arriving order of the inscriptions, but those who wish to share a room with another participant and who register before July 22 will have preference. Please indicate the name of the participant with whom you want to share the room (both inscriptions should match!), or indicate also if you are willing to share but do not know with whom. Payment for the castle rooms will be done in cash upon arrival at the Castle.

Payment instructions:

- By BANK TRANSFER: Money should be transferred to the following bank account:
Account name: Universidad de Valladolid. Congreso Second I. Castle Meeting on Coding Theory and Applications.
IBAN: ES40 0049 5450 02 2916211801
SWIFT: BSCHEM33

The receipt should indicate the name of the participant whose inscription is being paid. Indicate to your bank when ordering the transfer that **all charges are on the sender. (no inscription will be accepted with charges applicable to the receiver)**

Participants that can have direct access to a branch of Banco Santander Central Hispano can put the money directly in the account indicated above (no handling fee associated when this procedure is used). Receipt in the name of the participant is in any case necessary to complete the inscription.

This inscription form (printed and filled), together with the bank receipt of the payment should be scanned and sent by e-mail to: icmcta@wmatem.eis.uva.es

No inscription will be considered without the copy of the bank receipt.

Please notice that **medieval dinner tickets and castle rooms will be charged in cash** (we are sorry for not being able to accept other means of payment at the castle, after all it is a medieval castle, what did you expect!!!). **Take this into account when preparing your travelling money.**

Finally, those who want to appear in the list of participants in the website are invited to send a picture that we can attach to the name in that list.
